STRONG VEND

A NOTE FROM STRONG VEND ABOUT CORONAVIRUS (COVID 19)

As the situation regarding COVID-19 develops we want to inform you of the steps we are taking to ensure the safety of our clients, employees, trade partners and suppliers and prevent the spread of the virus.

At Strong Vend Limited we have always led with the guiding principle of placing people at the heart of everything we do and in times like these we want to ensure that you have total peace of mind in relation to your vending requirements and our ongoing support.

As a company we are taking each day as it comes, making the best decisions we can to prioritise the health and safety of our staff, our customers and our business.

Be assured we are closely following the guidance offered by the Government and the World Health Organisation on a daily basis and are taking all necessary measures to keep our team and clients safe.

At present all telephone services remain open if you need any help with any service calls, placing an order or general enquiries.

Our service and delivery functions remain operational at present obviously with some restrictions around office buildings where staff are working from home.

THE COMPLETE REFRESHMENT SERVICE
